

## Signature Page

2016 -2017 School year

To ensure that students start off the year in a positive manner, please review the handbook with your student sometime during the first week of school. After reviewing the handbook with your child, please sign below and return to your child's classroom teacher. The returned signature page will allow your student access to the internet which is an integral part of their technology education, so we encourage you to get this signed and returned as quickly as possible.

Thanks,

I \_\_\_\_\_ reviewed the Boulder Elementary School  
(Name/Signature of Parent or Guardian)
